

51st Annual Parke County Covered Bridge Festival

Visit the Historic Mansfield Roller Mill from Oct. 12th through the 21st to experience the Parke County Covered Bridge Festival. Starting the second Friday of October each year, Parke County comes to life with thousands of visitors roaming the countryside to view the numerous covered bridges and walking through the towns in search of that elusive “amazing bargain”. The town of Mansfield is no different! In addition to food and merchandise vendors the Historic Mansfield Roller Mill will be open for tours and special demonstrations of original 1880’s flour milling equipment. Come out and enjoy a beautiful autumn in Indiana and experience a festival like you’ve never seen before!

Raccoon S.R.A Halloween Camping Weekend

Raccoon S.R.A., located in Parke County, will again be hosting its annual Halloween Camping Weekend from 10/26 – 28th. Activities will include a Raccowl egg hunt, trick or treating through the campground, pumpkin carving, costume and campsite decorating contests. Each contest will have prizes awarded to the winners in each age group, except campsite decorating, which is viewed as a family or group event. Age groups are 5 and under, 6 – 11 and 12 to adult. On Saturday evening, after the contests have concluded, there will be a hayride through the campground available for a nominal fee. All other programs are free of charge, but donations will be accepted to defray the costs of decorations and prizes. Join us for a fun filled, family oriented weekend at one of our state's most beautiful facilities!
